NRE PART SALES

NRE stocks a large range of new and remanufactured spare parts in Australia. We can also assist with source and supply of those difficult-to-find spare parts with quick delivery from the USA.

When the time arises and you need price and delivery for spare parts, contact NRE via Email: **partsaus@nre.com** or speak to an NRE representative at **+61 02 4956 6440** (when calling this number select option 3).

Having trouble finding a part number for your locomotive? Visit **www.nre.com/parts** for a list of standard spares in NRE inventory.
